## Early Jump on Green Up?

PAUL NOEL, BACK COVENTRY ROAD, IRASBURG

## DISCUSSION

I have noticed so many people out walking with time on their hands (including me!) and was thinking what a wonderful time to start picking up our roadside trash. Maybe we could get those green bags early and get a good start on it and some of those many roads that never get cleaned up might get hit this year. What do you all think? Irregardless I am going to start bringing my own garbage bags with me on my walks..and a pair of gloves. Be safe and pay it forward. Paul
