Applause for un-sung heroes

In Burlington's Five Sisters neighborhood, every evening at 7:00, neighbors step out onto their front porches and make a little noise and wave. "It's a way to see each other and to express our gratitude for all who are working to keep people safe and healthy," said one anonymous Catherine St. neighbor.

Collecting Food Items for Food Shelf at Albany Church

VICKI STRONG, STATE REPRESENTATIVE, ORLEANS-CALEDONIA

ANNOUNCEMENT

The small food shelf at Albany Methodist Church has been busy and very useful this past week and the supply of canned fruit, vegetables, and soups is getting low. We appreciate the very kind and generous gift of some root vegetables from Pete's Greens, and of some other foods from a local neighbor. These items are being distributed as needed and have been very helpful!

If anyone would like to donate some canned or non-perishable food items to the church for the food shelf, there will be a collection box under the porch roof at the side door, and items may be left there.

Also, a local person has offered to help anyone who may need help with transportation during the next few weeks. Thanks to everyone who has helped, volunteered, given of their time, and prayed for our community! Take care! if you **have any questions you may call 754-2790.**

Hi! We are looking to install a wooden pasture fence along the road to replace our old one, which has been taken down. I would be grateful for local recommendations. Work to begin as soon as the ground thaws!

ASSISTANCE

Looking for help with our Rear-Tine Tiller. Classic story: got some bail twine caught in it last season and it hasn't been quite the same since. Looking for an oil change and tune-up / any repairs deemed necessary ahead of spring. Cash payment for time & materials.

Ideally a house call as this thing is heavy and our 49 acre farm has plenty of room to maintain social distancing! Bring your tools! TIA.
